1971 COMBINED FEDERAL CAMPAIGN

The 1971 Combined Federal Campaign is in full swing and once again Gallaudet College will be contributing to the support of 200 volunteer agencies in the Washington Metropolitan Area.

Francis Higgins has been named the 1971 chairman and Dr. Merrill is the vice-chairman for the campaign drive on Kendall Green. Eight division chairmen will assist them throughout the fall months in meeting the campus goal of \$16,400. The division chairmen are John Schuchman, Gil Delgado, Doin Hicks, Tom Behrens, Orin Cornett, Dick Phillips, Paul Nance and Gus Gentile. They will be assisted by twelve keymen who will solicit from about 650 members of the Gallaudet Family.

Last year's campaign netted a total of \$6,298.25, surpassing the goal of \$5,000 for 1970 as well as the \$3,257 raised in the 1969 fund drive.

A WORD ABOUT PRESS RELEASES...

Now that we have a weekly rag, we are discontinuing on-campus distribution of press releases. Eventhough our attempts to use re-cylced bond have been somewhat thwarted by an uncooperative press, we hope that we can still do our bit to curb word pollution by avoiding unnecessary duplication of information.

ON THE GREEN is published for the members of the faculty and staff of Gallaudet College by the Office of Public Information. Campus news always welcome. Phone or TTY 3326. Judy Bortner, editor.
